"We recently held a Year 11 Social event at MBSC and we cannot express how fabulous the venue was for our purpose! The staff were incredibly helpful and forgiving before hand, professional and thoughtful during and supportive and keen to receive feedback afterwards. The venue was perfect as students could be living it up on the dance floor, relaxing in a quieter space or enjoying the view from the balcony – all needs were catered for. Speaking of catering, the food was outstanding with a wide range of dietary needs easily catered for and drinks were appropriately varied and speedily served. Overall, this was an outstanding experience for us as a school, with at least one student describing it as the best night of their lives. We look forward to coming back again next time!"
